Four States -- Alabama, Florida, Louisiana, Mississippi -- make up the Aerospace Alliance, which TVEDC has been engaged with from the start, and our President & CEO, Keith Norden, was happy to represent Volusia County at this event, at the Florida House.

The esteemed group of attendees included Lt. Governor Jeanette Nunez and Frank DiBello (Space Florida), along with Aerospace Alliance Board Members from Florida, including Crystal Stiles (FPL), and John R. Watret, PhD (ERAU Worldwide Campus).

Congratulations & Thank You

Pivotal to our community's shared success are the skilled individuals who make up each and all of our collective teams. And as we kick off the 4Q of 2022, with eyes on 2023, rounding out the Team Volusia EDC staff was an important organizational factor. Having strategically envisioned talent recruitment for our team over the past year, we could now look to our existing staff to achieve this.

Effective immediately:

Harry Jorgensen has been promoted to Director, Business Development & Research

Tracy Marino has been promoted to Director, Marketing & Communications

Together with Tywan Arrington (Director, Business Development), Debbie Robbins (Executive Assistant), Jen Boggs (Bookkeeper), and Keith Norden (President & CEO), we are primed anew in our dedicated efforts to enthusiastically and successfully serve Volusia County with business recruitment and marketing for the area, in collaboration with each of you, our valued investors and community partners.
