QUARTERLY BULLETIN

## President's Comments

It is a pleasure to present our first newsletter as we carefully transition operations to our “new normal” at Team Volusia EDC. The International Motorsports Center is now opened with certain restrictions; however, we are currently limited to the number of visitors for in-person meetings. Our

hope is that this newsletter finds you safe and well, and that your business activities are resuming. The following information will bring you up to date on your economic development team and some of the news that has been generated.
