Team Volusia Economic Development Corporation

OUR MISSION

Team Volusia Economic Development Corporation is a collaborative organization. Working with our partners, we develop strategic economic development activities and business recruitment initiatives to generate more jobs and capital investment in Volusia County.

ABOUT TEAM VOLUSIA EDC

Team Volusia EDC is a public/private not-for-profit corporation founded in 2010. While Team Volusia EDC is an autonomous organization, it works closely with state and county agencies, municipalities, chambers of commerce and other resource partners to achieve county-wide economic goals.

Programs and services are funded in part through a contract with Volusia County Government and many of the county's municipalities. Additional funds are raised from the private sector through membership investment dues, special event revenues and other sources. Today, Team Volusia EDC continues to grow and help increase economic prosperity and diversification throughout Volusia County.

Team Volusia EDC staff take pride in working with its investors, from the public and private sector along with local community partners. We offer this directory as a benefit for all of our investors and we distribute it to potential clients that are considering doing business in The Greater Daytona Region.

Please contact Team Volusia EDC Staff (*information located on the back cover*) for a more personal point-of-contact.
