MAY 2022

Updates on economic development outreach and activities in May 2022. Comments or questions? Please let us know. Thank you for subscribing!

OUTREACH

Our mission and goal oriented activities include industry events, having on site meetings, and networking to meet new decision makers, organizations, and opportunities. All to help fuel a robust pipeline. Here are our May highlights.

Total Number of Economic Development Outreach Meetings in May: 25

Florida Economic Development Council (FEDC)

TVEDC joined 240 attendees representing economic development organizations from across Florida at the 2022 FEDC Conference in St. Petersburg. Embracing this year's theme of "Capitalizing on Change," we participated in two days of forums and informative discussions about some of the biggest challenges and opportunities facing the future of economic development in our state, like the talent attraction pipeline, affordable housing, trade infrastructure, and industrial site readiness.

International Asset Management Council (IAMC) Spring Forum

IAMC is the leading trade association for corporate real estate executives focused on an industrial portfolio. Membership is limited to corporate end users, service providers and economic development organizations. Keith Norden, an IAMC Fellow, is a Charter Member, active since the organization's founding in 2002. Held in Fort Lauderdale, the Spring Forum was attended by 425+ participants, with a focus on targeted training, and meaningful knowledge sharing, with real estate professionals receptive to gathering information on relocation and expansion opportunities.

★ **Team Florida Marketing Partnership held an invitation-only event for top site location consultants and corporate real estate executives during the Spring Forum. Twenty special guests joined representatives from Enterprise Florida, Duke Energy, FPL, and a number of local and regional organizations in order to highlight the assets of a location in Florida.**

TVEDC is a proud founding investor partner of the Team Florida Marketing Partnership.

Team Florida Atlanta Event

Team Florida Partners hosted a regional site selectors and partners meeting at the Porsche Experience Center in Atlanta, Georgia. Economic development organizations throughout the state of Florida, in collaboration with economic developers and real estate agents from Georgia and South Carolina, were in attendance.

Hungarian Summit

TVEDC was proud to have been a sponsor of the inaugural Hungarian Summit, held at the Museum of Arts & Sciences. Featuring speeches from Ambassador Szabolcs Takacs, and former U.S. Ambassador to Hungary, Mr. David Cornstein, and representatives from Hungarian government ministries and the Florida legislature, the Summit focused on building bridges between Americans, Hungarian-Americans, and Hungarians across business opportunities, private and public sectors, education, and the arts.

The Inaugural Hungarian Summit Opening Ceremony, Cici and Hyatt Brown Museum of Art, MOAS.
