Outreach

Outreach Meetings in January: 31
Visits in January: 7

Rolex 24 at DAYTONA

At the Rolex 24 at Daytona at the Daytona International Speedway in January, Team Volusia EDC and Duke Energy co-presented a special familiarization event. Together, we hosted site selectors, consultants, and other decision makers, to showcase Volusia County as a business location, the Speedway as a popular destination, and the enthusiasm of our racing community. TVEDC recognizes and thanks Duke Energy for the instrumental grant they provided, so we could present this one-of-a-kind outreach event!

International Economic Development Council (IEDC)

The International Economic Development Council's 2023 Leadership Summit, held January 29-31 in Arizona, focused on equitable recovery for a sustainable future. Keith Norden joined economic development leaders from across the world to explore industry trends and the partnerships and strategies needed to grow, diversify, and retain companies in established and emerging industries.
