#### Area Development Fall Forum

The 38th Area Development Consultants Forum was held in Ft. Lauderdale. Over 200 economic development professionals from across the U.S. gathered with 24 key site selectors and corporate real estate advisors who led an agenda of panels, breakout sessions, and roundtable discussions. These meetings focused on the trends influencing corporate location decisions and economic development strategies. Keith Norden represented Volusia County and joined representatives from SelectFlorida and Florida Power & Light for the three-day event.
