**WAGES**
Among several areas of Florida, Volusia County average wages are affordable and lower than Miami, Tallahassee, Tampa, Jacksonville, Orlando and Melbourne.

**TRAINING**
There are many resources available to Volusia County businesses. Chief among them is a certification by the Daytona State College Center for Business and Industry within the industrial technology sector as well as the customized training programs.

**SITES**
Whether you are looking for land to build your facility or convert a property to your specifications, the inventory of property is large and varied.
B. BRAUN MEDICAL INVESTS IN DAYTONA BEACH
B Braun Medical Inc., the 10th largest global medical device manufacturer in the world, established their first Florida location in Daytona Beach with a $100m investment into a manufacturing facility in 2016. Following this announcement, the company reinvested within the community and is currently constructing a new $30m, 400,000sf distribution center to complement the manufacturing operation.

WORLD CLASS DISTRIBUTION/TRAIDER JOES DISTRIBUTION
National grocery retailer, Trader Joe’s, recently opened its southeast US distribution center in Daytona Beach, FL. The nearly 800,000sf regional distribution facility sits on 76 acres near the intersection of I-4/I-95 and services the growing southeast US market. The center, operated by World Class Distribution, will employ approximately 1000 employees at full capacity.

US FOODS
US Foods, one of the largest food distributors in the world, operates its flagship central Florida operation in Port Orange, FL. This 409,000sf facility serves nearly 5,000 restaurants, healthcare facilities, hotels, schools, and government agencies throughout the state, southeast Georgia, and southern Alabama. This facility enables the company to respond more efficiently to their customers’ needs while serving a growing market from a modern and strategically located distribution center. The 60-acre site in Port Orange has ample space for growth and currently offers capacity for 14,000 products, 127,000sf of freezer space, 48,000sf of refrigerated space, 155,000 sf of dry storage space, and 51 loading docks.
Over 45,000 College and University Students
